

The resolution therein mentioned, which had been submitted by Mr. Wright of Queen-Anne's, on the 23d ultimo, was then read the first, and by a special order the second time, assented to, and sent to the senate for concurrence.

Mr. M'Mahon of Baltimore city, submitted the following message:

By the House of Delegates, March 6, 1829.  
Gentlemen of the Senate,

We have received the bill, entitled, An act to provide for electing commissioners of Washington county, and prescribing their powers and duties, heretofore passed by this house, and returned to it from your honourable body with a single amendment, proposing to insert the word "county" after the word "Washington," in the 4th line of the 9th section. From an examination of the section to which the amendment refers, the application of the word, "Washington," appears to be rendered sufficiently definite without the proposed amendment; and we therefore return it to your honourable body with the hope that you will recede from the same.

Which was read the first time and ordered to lie on the table.

The resolution and bills of this house, passed yesterday evening, were sent to the senate for concurrence; the respective titles whereof, are as follow:
